Members must bring everything needed: Fabric construction activity should include a care label or 3x5 card with care instructions. Create and work on something such as: drama, instrument, birdhouse, sew or knit a dog coat.

Division 636 ~ Special Interest

The special interest programs division is for youth involved in Mason County 4-H Day camps, 4-H School Enrichment, and 4-H After School programs. Entries are to be still-life exhibits entered in building 22.

Classes to be determined at the discretion of the superintendent and/or judge.

Skill levels will be defined as:

- Simple (basic skill level)
- Complex (intermediate skill level)
- Advanced (advanced variety of skills).

FFA Chapters

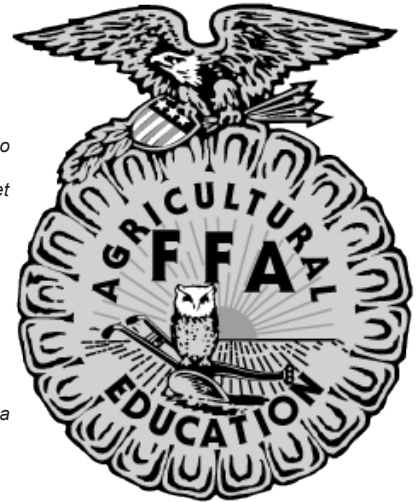

GENERAL RULES: All boys and girls exhibiting must be properly enrolled members of an FFA Chapter.

All animal exhibits must be preregistered by July 18th in order to allow adequate space. Contact superintendent for forms. Animal exhibits will not be allowed to enter barns without proper vet check. Failure to comply will result in forfeiture of pen space.

Non-animal exhibits must be entered Thursday, fair week.

Refer to general RULES for animal health requirements. No animal or article will be allowed to compete for more than one premium, nor shall be entered in more than one class, except as in herds, pens or open class.

Each exhibitor is responsible for the cleanliness of the barn area assigned to them. HERDSMANSHIP IS REQUIRED. Fitting and showing is required of all animal projects.

Department - FFA Rabbits

Bldg. 23

Premium Points: Blue 15, Red 12, White 8

- Champion— 10 extra points
- Reserve Champion – 5 extra points
- Fitting & Showing - 5 extra points

RULES: All exhibitors will notify the superintendent of their entries by July 17th. All entries will be brought to the fairgrounds through the back gate on Thursday, July 28 between the hours of 3 p.m. to 9 p.m. All entries will be checked by a veterinarian for mites, lice, and other diseases upon arrival to the fair. Any animal found with mites, lice, or other diseases will be rejected. The veterinarian's decision is final. All exhibitors are responsible for cleaning cages of animals they have entered in the Fair each day. Each exhibitor may enter a maximum of five rabbits per variety. The American Rabbit Breeders Association publications, "Standards of Perfection" will be used as the official reference of evaluating rabbits. All exhibitors must enter fitting & showing with an animal also entered in type. All exhibitors must enter herdsmanship. All rabbits on exhibit must have a permanent ear number for identification purposes and this number must be recorded on the entry card. All rabbits are to be shown by breed. PLEASE SPECIFY VARIETY/COLOR ON ENTRY FORM. No exhibit of doe/litter or milking doe will be allowed because of security and health concerns.

**Important Information
for 4-H & FFA Members**

Members simultaneously enrolled in 4-H and FFA must have separate projects or animals for each program during the same calendar year. The program year is October 1 to September 30. For example a member may carry a dairy project for FFA and 4-H as long as he or she uses a different animal and project for each program. The goal of both organizations is youth education. Involvement in both programs should result in the enhancement of the educational experience.

4-H & FFA MEMBERS ONLY

SPONSORS: MARY M. KNIGHT FFA,
MASON COUNTY WSU EXTENSION
OFFICE, MASON COUNTY 4-H &
THE MASON AREA FAIR.

PURPOSE: The intent of the Market Livestock Auction Program is to sell wholesome quality animals at a price that supports the student. The price of the animal enables students to continue learning valuable lessons in animal care, marketing, public relations, nutrition, and responsibility.

EXHIBITOR ELIGIBILITY & RULES:

Each exhibitor must be a FFA or a 4-H member. Each exhibitor must complete a letter of intent to sell. Each exhibitor must complete and display with their animal at the fair, a Market Livestock Record Worksheet #CO728.

Each member may enter only one Class per Division. Spring Weigh-ins are mandatory at the fairgrounds. Exhibitors may not withdraw after vet-check and entering the fair. Each exhibitor must have at least two bidders secured.

The bidder security forms will be turned into the Extension Office by July 1st, 2011. All exhibitors must follow the Mason County 4-H/FFA

Livestock Auction Rules. All youth will be neat, clean and ready for pictures at the time of the auction. In case of any dispute or discrepancy, the Mason County Livestock Grievance Committee will determine the final outcome.

SALE REGULATIONS:

The Auction Committee shall inspect all animals for identification and proper size at the first mandatory Spring weigh-in. All market animals must make grade according to market standard. All large animals will be sold by the pound. Beef only may be sold by the half. Fryer chickens and meat rabbits will be sold in pens of 3. Turkeys will be sold individually.

Market steers must grade USDA Select and weigh 800+ lbs. Their desirable age is between 16 and 24 months. Market lambs may be ewes or wethers, must grade USDA Good according to breed frame size standards and weigh a minimum of 85 lbs. Lambs will not have over 3/4 inch wool. Market lambs must also have the lamb teeth present. Market goats must be wethers, must make grade and weigh a minimum of 45 lbs. Their desired age is between five and seven months. Market hogs may be gilts or barrows, must grade #1 or #2 and weigh a minimum of 200 lbs.

All sales are final and terminal.

The packer, provided by the Auction Committee, will slaughter all large animals. If the large animal is purchased for resale, the animal must be shipped to a USDA processing plant, this is the responsibility of the buyer. Buyers purchasing poultry and rabbits are responsible for their own slaughter. A fee of 5% of the sale price will go to the Auction Committee to cover expenses.

Proceeds of the sale will be distributed to exhibitors after payment has been received from the buyer and the exhibitor has met all of his/her obligations. Placing within the market type class will set the sale order. For swine only, the #2 animals will sell first, followed by the Reserve Champion, Grand Champion, and the #1 animals. Sellers of market steers must complete a bill of sale. Sellers must also provide a rope and halter that may or may not be returned. Steers may be sold as halves. The buyer has the choice of whole or half. The backup bidder has the option of the current price or it can go back out and the bidding will start over. Market animals must not be owned in a partnership.
